

**INTEGRATED FAN SINKS | ALUMINUM**

**SPECIFICATIONS**

**Overview**

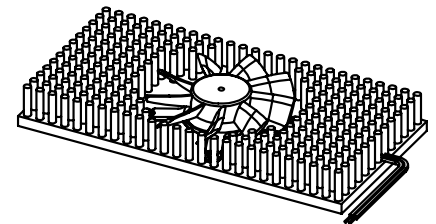

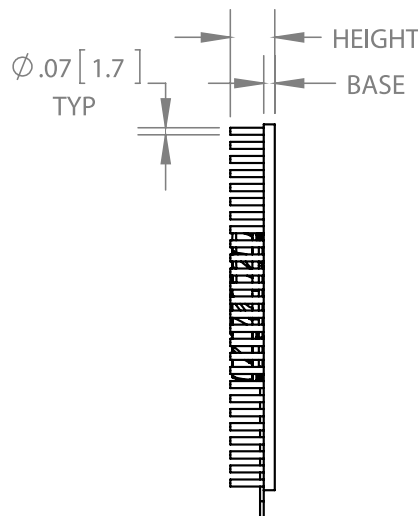

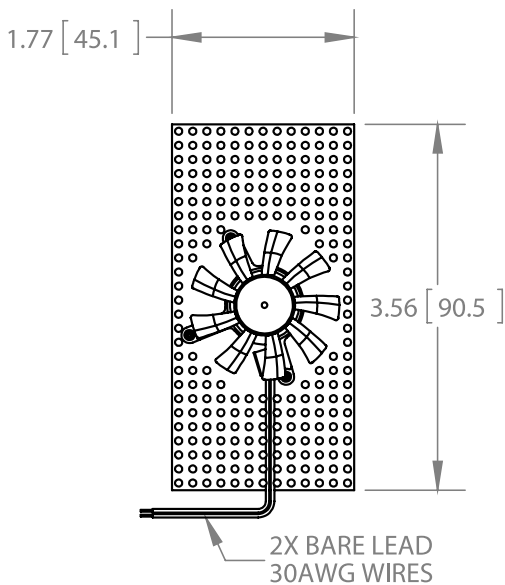

- Provides outstanding cooling power
- Designed for single slot cooling
- Height: 0.43" (fan included)
- Fan specs: 40mm, 6.8 CFM
- RoHS compliant

**Technical**

- Material: Pure Aluminum
- Mfg. process: Cold forging
- Plating options: Black/clear anodize, chemical conversion coating
- Base finish: Lapped  
Flatness: Better than 0.001 in/in  
Surface roughness: 16 RMS

**Attachment Methods**

- Double sided thermal tape
- Attachment tabs
- Push pins
- Holes & threads

**THE PIN FIN APPROACH:** Round pin formations produce outstanding cooling power

P/N	Height in(mm)	Base in(mm)	Weight lb(g)	Thermal Resistance in °C/W
